Dom I received an email from Pam Lannom referencing an email you sent me and wanting to confirm that the BOE was rescinding your resignation. I am unclear why you believe it is an agenda item this week. As I shared last Friday - the BOE had a special meeting last week and approved your resignation.

[REDACTED] you should not be representing the District. The agenda is about to be posted and it is not an agenda item.

Thank you for re-confirming

I'm not representing the district in any capacity

I do not know what you are referencing , but I just wanted you to know there is no agenda item.

Got it. Thank you.
